

FHBC 2016 - Provincial Program Travel Subsidy

Athletes

Athlete ferry travel will be reimbursed (*the cost of a walk-on foot passenger).

Please keep your receipts for each journey.

Volunteer Drivers

Parent ferry travel and a subsidy toward mileage will be reimbursed when driving 3 or more athletes (*the cost of a regular-sized vehicle plus driver).

Please keep your receipts for each journey and note athlete names for each journey.

Accommodation

Accommodation is **not** subsidized by FHBC during provincial training or over the India Club Tournament weekend.

We greatly appreciate and rely on families billeting athletes where necessary. Your Team Manager will be in place to connect families and organize billeting and/or carpooling where needed.

Reimbursements will take place at the end of the program **or** a credit will be applied.

Thank you for your ongoing support and we look forward to an enjoyable provincial season ahead!
