## India Club Junior Tournament

Presented by

June 22, 2017

On behalf of the India Club Junior Tournament presented by Coast Capital SAVINGS Committee, we welcome all players, coaches, and managers to our 10th annual Junior Tournament. We welcome over 50 teams in 9 different age groups.

The tournament will be carried out using the current Rules of International Hockey Federation (FIH). Time will be controlled by the bench; games will start and stop with a single horn blast. The bench will give a warning blast of 1 minute before the start of the game or start of half. A full set of technical regulations will be available at the technical bench and at the information booth. Please note, mouth guards and shin guards are mandatory at this tournament.

With the short turnaround of matches, there will be no time available to warm up on the pitch. We ask that teams warm up outside the field, and depart the field as soon as their match has ended. Teams listed first on schedule will take the **Home bench** to right of tech table and teams listed 2<sup>nd</sup> will take the **Away bench** to left of tech table. Changing rooms are available for teams to use; volunteers will be available to assist you.

Information tent will be set up close to the upper Tamanawis Field (Tamanawis 1). Tournament results and standings will be posted at this tent.

Once your team has played all pool games, please visit the information tent to find out the schedule for playoff games. If required, tie breaking shootout will take place to determine pool position before the play off games. All teams must find out if they are involved in shootout and must make themselves available. If any team does not show up for shootout that team will be given lower place in pool standings. Schedule for play off games will also be posted on our website.
