Depending on the competition schedule, teams may have opportunities to take part in off-field activities such as team-building or site seeing. These events will have cost implications outside of the levy. As such, parents should be prepared to provide athletes with additional spending money over and above the cost of food/snacks/laundry. Team coaches and managers will oversee the detail and inform parents of cost, ahead of time.

- **Team Clothing/Uniform**

It is mandatory for athletes to wear their travel uniform when traveling with the team from BC to Ontario. Please provide your athlete with laundry bags with your athlete's name on the bag. Team Managers will set a daily budget to include food/snacks/hydration and laundry.

More information will be provided as it becomes available. Thank you for your ongoing support.
