

February 2018

Field Hockey BC Regional Tournaments 2018 **at Tamanawis Park, Surrey**

U18 Train 2 Compete: April 13-15

U15 Train 2 Train: May 4-6

The Regional Tournaments are the selection point for the Provincial Program.

The Regional Tournament hosts all FHBC-regional teams for 3-days of games. Island and Interior athletes travel to the mainland for each event and all Field Hockey BC staff and coaches will be on-site, ensuring a smooth and professional event is delivered.

Uniforms

All teams will receive an FHBC **uniform** for the event. These will likely be provided to athletes on Day 1. Uniforms will be on loan from FHBC and should be kept and returned in good condition. Athletes will also receive socks and they are for athletes to keep.

Team Manager

Each team will have a designated Team Manager to coordinate uniforms, carpools, snacks and food. We will be asking for parent-volunteers to support their athlete's team so if you are interested, please consider your schedule now and we will ask again once the teams are announced.

Accommodation

Island athletes (male): please coordinate your own accommodation.

Island athletes (female): accommodation will be organized by FHBC Head Coach

Interior athletes (female): accommodation will be organized by FHBC Head Coach

Games Schedule

DAY 1 of the Tournament is a school day. Athletes are expected to miss school on this day. The schedule is in progress and information will be released once available. Teams can typically expect to play 2 games per day.

More information will be available soon!
