

ATTENDANCE POLICY 2018

Trial Attendance

To be considered for FHBC Programs, athletes must attend and participate in the trial. If athletes are unable to attend trials, they must complete and submit an **ATTENDANCE FORM** by the trial registration deadline for consideration.

Training Attendance

Athletes are expected to attend a minimum of 80% of training in a 40-hour program and 100% of training in a 30-hour program to maintain program eligibility.

When an athlete is unable to attend training, they must contact their coach by email ahead of the training weekend.

In all cases, athletes are responsible for completing and submitting an **ATTENDANCE FORM**. Attendance forms and attendance records are considered in the evaluation/selection process.

Competition Attendance

Regional athletes must participate in competition to be considered for Team BC selection. Team BC athletes must be available to compete at the National Championships.

PLEASE NOTE: All athletes under 18 years of age (as of December 31) must participate in one of the FHBC Regional Programs (2 to Train or Train 2 Compete) to trial for and participate on **any Provincial Team**. Athletes exempt from this Policy are those attending a post-secondary institution and/or Canadian National Team Carded athletes.

Individual cases will be reviewed and considered.

FHBC reserves the right to determine program eligibility, selection and de-selection in all cases.
