COACHES WITH SIBLINGS OR FAMILY MEMBERS IN A RESTRICTED SELECTION BASED PROGRAM

In the event of a Coach being appointed to a selection based program where a family member or sibling is participating; the following protocol will apply:

At the time of selection an independent selector(s) will be assigned to the selection trial to assist with team or squad selection. The coach in question will not have the final say as to the selection or otherwise of the family member or sibling trialling for the program and the final decision will be by majority decision of the selection panel. Should a majority decision not be reached, a second trial will be organised. Field Hockey BC reserves the right to appoint additional independent selector(s) as deemed appropriate but this resource will not be at the expense of the original selection panel membership.
