# 2021 FHBC Athlete Evaluation Camps Head and Assistant Coach Applications

Field Hockey BC is now accepting applications for the role of head and assistant coach positions for the Provincial Performance Talent Identification Program this summer.

## **2021 Programming and Brief Background**

As many of you know, the 2021 Field Hockey Canada National Championships were cancelled earlier in the year, and with that FHBC decided to postpone our provincial team trials.

Although FHBC will not be selecting provincial teams this year, we are hosting a series of talent identification camps this summer to provide U21, U18 and U16 athletes the opportunity to be identified for the FHBC-Canadian Sport Institute (CSI) Provincial Targeted Athlete list. Provincially targeted athletes receive support and benefits through CSI Pacific, including free access to weight room facilities throughout the province. Provincially targeted athletes may also be eligible for the FHBC Elite Program. Athlete evaluation information will be shared with Field Hockey Canada to help them bring in a new pool of athletes to participate their respective talent identification processes.

If you are interested in applying to be a head or assistant coach, please complete the application form by clicking on the link below.

The deadline to apply is **Monday June 21<sup>st</sup>**.
