FHBC RESPECT PROGRAM – **YOUNG PLAYERS**

We all have a responsibility to promote high standards of behaviour in the game.
As a player you have a big part to play.
That's why Field Hockey BC is asking every player to follow a Respect Code of Conduct.

When playing field hockey, I will:

1. Always play to the best of my ability
2. Play fairly – I won't cheat, complain or waste time
3. Respect my team-mates, the other team, the umpire/official or my coach/manager
4. Play by the rules, as directed by the umpire/official
5. Shake hands with the other team and umpire at the end of the game
6. Listen and respond to what my coach/team manager tells me
7. Talk to someone I trust if I'm unhappy about anything at my club or field hockey program.

I understand that if I do not follow the Code, any/all of the following actions may be taken by my club, league, or Provincial Association:

I may be:

- Issued with a verbal warning from a club, league, or Provincial official
- Required to meet with the club, league or Provincial committee
- Requested to undertake an education course
- Required to leave the match venue by the club, league, host, or Provincial Association
- Requested by the club not to attend future games
- Suspended or have my club membership removed

- Required to leave the club along with any dependents.

In addition:

- The club, league, or Provincial Association could impose a fine and/or suspension on the club.
