

CLUB MEMBER DELEGATE REGISTRATION AND AGM VOTING

Dear Club Members

In accordance with new Society Bylaws passed in 2023 and as a polite reminder, the new members of Field Hockey BC are now recognized MEMBER CLUBS which is a fundamental change from previous Society bylaws that recognized individual participants as members. As a result and in alignment with these new Society bylaws, Field Hockey BC is inviting MEMBER CLUBS to appoint a DELEGATE (or Delegates) to represent their Member Club at the 2024 Field Hockey BC AGM on the evening of February 7, 2024 (6.30pm via video conference).

*Please refer to the **FHBC AGM Voting Chart** ([Click Here](#)) for a full list of Recognized MEMBER CLUBS and their associated and eligible VOTING WEIGHT (number of votes each member club is able to carry at the 2024 FHBC AGM).*

MEMBER CLUB DELEGATES

*Each Member Club is eligible to send a Delegate to the 2024 FHBC AGM but **must complete the necessary Delegate Registration Form**. Should Member Clubs wish to send more than one Delegate, please complete as many Delegate Registration Forms as may be required. **The deadline for registering a Member Club Delegate for the 2024 FHBC AGM is January 31, 2024**.*

*A pdf copy of the **DELEGATE REGISTRATION FORM** can be downloaded [Here](#).*

Member Club Delegates must be at least 19 years of age. Member Club Delegates do not need to be current Registered Participants of the Society.

MEMBER CLUB VOTING

Member Club Votes are to be carried by Member Club Delegates. Each Delegate may carry a single vote or a percentage of a Club Members Vote Weighting. If a Delegate carries more than one vote then votes must be cast as a block at the time of voting.

***Delegates carrying votes MUST declare the number of votes being carried on the Delegate Registration Form.** This declaration allows Field Hockey BC to pre-load each Delegate and their associated voting weight into the voting software being used at the 2024 AGM.*

*The Society thanks each Member Club in advance for their consideration to join the Society at the 2024 AGM. Quorum for an FHBC AGM requires a minimum of **eight Member Clubs** to be attendance, representing at least 20% of the eligible registered participant base.*

Field Hockey BC looks forward to welcoming Club Member Delegates to the 2024 AGM on February 7, 2024.
